

NEWBORN MINISTRY IN NEPAL - 2012

The second day of our open-air crusade was awesome. Besides the fact that the Minister of Culture came to the crusade and handed us a plated letter of appreciation, we witnessed mighty miracles of which salvation is the greatest.

A couple came onto the stage with their boy who could not walk or talk, to show the crowd what Jesus had done. The boy was helped to walk and the smile on his face as he realised that he was walking said it all. Glory to Jesus!

Our last day didn't happen because of rain, but the morning we had a powerful power conference.

Debbie spoke on the topic "there is power in words" and the local pastor of the church testified that it changed his whole ministry.

The power of the Holy Spirit was tangible and many people spoke in tongues as they got filled by the Holy Spirit.

Today was the first day of the international "Revival Asia" conference and this time we were blessed by the attendance of the Minister of Environmental affairs. He handed over a plated letter of appreciation to Andries, Debbie, Oscar and Andrew. Andries handed him a Nepalese Bible in return and prayed for the government.

There is a slight possibility that we might be able to meet with the President and/or Vice President of Nepal on Sunday. Please pray that God makes this possible as it could open more doors in Nepal.

Thank you for your continued prayers.
