

NEWBORN MINISTRY IN INDIA – FEBRUARY 2014

On Friday night, the 7th of February 2014, Newborn Ministry was bound for India on the 10:20pm flight via Dubai. Despite a nasty delay we left O.R. Tambo International Airport at 4:30am. We arrived in Hyderabad on Saturday night and met up with other South Africans who were going to accompany us on this rescue mission.

On Sunday morning Andries brought a message at Mani Nadava's church in Hyderabad on "Being the salt of the earth and bringing flavour to the world". Sunday night we left for Macherla and arrived in the morning after 12:00am.

At 10:00am Andries brought the first message at the pastor's conference namely "Momentum".

Afterwards the whole team went to the crusade grounds to pray over the grounds and for the crusade. God surely heard our prayers and the prayers of everyone praying for this crusade, because people arrived in large numbers and drank up the word that was brought to them. They reacted positively to the invitation each night and repeated the salvation prayer after Andries.

Afterward the salvation message each night, Andries prayed for the sick and because our sound system was so good, we even got a testimony of a lady who heard our message in her house and when we prayed for healing, she put her hand on her knees and God healed her in her house. She came the next night to testify.

We thank God for every person that was saved, healed and delivered in this crusade.

Thank you to the team from South Africa: Theresa Low, Alice Pitzer, Chanel Pelsler, Willem and Esthie Steyn, Erika Kirkby, Brian and Natasha van Tonder, Ryan and Nadia Erasmus, Mani, Rani and Lidia Nadava and the team from India.

All glory be to God!

We are now in Chennai where we have started with the 2nd leg of the outreach. Andries ministered at the Hebron Castle Church in Chennai in 8:30am and 6pm service. He will be ministering at Hebron Ministries churches in different towns on Wednesday and Thursday night.

Please pray for the rest of the outreach. Our next outreach will be in Uganda early in March 2014.

Thank you for partnering with us in prayer.

Blessings from the Newborn Ministry Team
