

NEWBORN MINISTRY IN INDIA – FEBRUARY 2015 SEVEN – A COMPLETE NUMBER

This was our seventh crusade and Pastors' conference in India. Once more, thousands of people flocked to the crusade ground every night seeking the truth. Every night the majority of the people responded on the altar call and accepted Jesus as their only God.

The Bible says that signs and wonders shall follow those who believe and God is watching over His Word to see that it performs what it sets out to do.

God is not a liar and He confirmed His Word with wonderful signs and wonders. People were delivered from demonic possession and the blind testified that they received their sight back.

The doctor told a couple who were part of the team in India that they have to remove the baby from the woman's womb as the baby was dead. We prayed and God made the baby to come alive. God is good – He does the impossible!

The Pastor's conference was a great success. About 500 pastors joined us every day. On the last day the caterer and staff came to me and said they were Hindu and they wanted to accept Jesus as their Saviour. What a mighty God we serve!! They said the sinners' prayer, renounced their gods and got saved.

We once more had people from South Africa joining us and forming part of the team. We were so blessed by their presence and support during the course of the crusade and conference.

We encourage people to join us as it is a life changing experience. Contact us if you would like to join us next time.

Last year November God spoke to us and told me to go back to Nepal. Nepal's population is 27 million and only 1% are Christian. After India, Debbie and I went to Nepal and met with Pastors and leaders of different denominations to arrange a Pastors' conference and crusade in May. At the conference we want to talk about how we can get the Gospel into every household in Nepal.

The meeting with the Pastors and leaders was well received and they welcomed the vision that we believe comes from God. They have now accepted the responsibility to arrange this crusade and conference.

Please pray for this vision – "Nepal for Jesus".

Our next crusade is in Uganda from 14-29 March. Thank you for partnering with us.

God bless you
