

Salvation is a free gift!

It can be yours today, by inviting Jesus into your life.

Who was Jesus and why did He die for you on the cross?

John 3:16 reads: "For God so greatly loved and dearly prized the world that He gave up His only begotten Son so that whoever believes in Him shall not perish, but have eternal life."

In the beginning God created Heaven and Earth and He also created Adam and Eve according to His likeness and image. He told them to reign over everything on this earth.

Satan who was an angel in heaven before the earth was created, wanted to be God and got a third of the angels in heaven to rebel with him against God. God being a right and righteous God put Satan out of heaven with the third angels.

Satan hates man because he knows what man means to God. You see, God wanted children when He created you and me. A family. God wants to have fellowship with us. Satan knows this and hates the idea. God told Adam and Eve not to eat from the tree of knowledge of good and evil. God in Genesis 1 translates to Elohim in Hebrew, which means more than one (Father, Son & Holy Spirit). Satan told Eve that God knows that if she ate from the tree they would be like God. Can you remember Satan wanted to be God? Satan is a liar and murderer from the beginning of the world.

Eve ate of the tree and she also got Adam to eat from the tree of knowledge, good and evil. God punished Satan and put Adam and Eve out of the Garden of Eden.

In the garden Adam and Eve walked with God, but once they were out of the garden they couldn't come before God as there was hostility between God and Man.

Adam and Eve exchanged their Godlike nature for the nature of Satan (that is sickness, failure, disease, lack, etc).

Since that day man has been longing for a mediator. Someone who would come and restore the relationship Adam and Eve had with God. This mediator was to be someone worthy – someone who could restore our relationship – someone without sin. No man could do that because natural man lived in hostility with God and natural man had Satan's nature inside of him. It had to be someone who was without sin. Another Adam. A little more than 2 000 years ago a virgin called Mary fell pregnant with Jesus. An angel appeared to her and told her she would bear a son. She was impregnated by the Holy Spirit (God Himself) and because of this the blood that ran in the veins of Jesus was without sin.

This Jesus started His public Ministry when He turned 30 and did many miracles and wonders. When He turned 33 He was arrested and lies brought against Him. He was spat on and beaten 39 times with a leather belt. At the end of the belt was metal pieces and every time they struck Him, it took pieces of flesh and skin from His back. He was crucified on the cross by putting steel nails through His hands and feet. He, the perfect Lamb, took all the sins of mankind on Him and when He died He went to Hell and paid the price for our sins. After 3 days He arose and made a bold display and public example of Satan before all his demonic forces.

It is all a matter of identification – you can choose to identify with Satan and his nature or with Jesus and the Nature of God, which is love, wisdom and power.

Jesus came to set the captives free. He came to die for thieves, prostitutes, fornicators, liars – people like you and me. 40 Days after He rose from the dead He ascended to Heaven and is now sitting next to God the Father where He is praying for you and me. He became our mediator. Our relationship is restored with God. He says: "Come to me all who are heavy loaded and I will give you rest." He also says in Matt. 6:33 – "First seek the Kingdom of God and His righteousness and then all these things taken together will be given you besides."

It is your chance to choose between life and death – the nature of Satan or the Nature of God. Hell or eternal life. If you want to choose life, pray this prayer:

Father, I know that I have sinned. Please forgive me. Wash me in the precious blood of Jesus that was spilled for me. I confess that Jesus is the Son of God and that He died on the cross for my sins. I confess that He rose from the dead and is now sitting next to God the Father where He is interceding for me. Thank you that I can now be called a child of God. I promise to follow you till the end of times. I pray this in Jesus Name. Amen.
