

What a mighty God we serve!

We have just concluded a 4-night crusade in Markapuram, India.

It was hot – very hot! The temperature soared to 45-47 degrees daily. We were not only physically hot but also spiritually!!

Daily, thousands of people attended the open air event and God blessed us with a great harvest and wonderful miracle.

We also had the opportunity to baptise 30 people at one of the local churches.

Markapuram is not a big town but I believe its now big on Jesus!

What happened on the last night will remain with us for a long time. After the crusade had ended, some sick people remained, wanting us to lay hands on them. This was very difficult as there were a lot of people and they were not prepared to wait their turn. This was because they were so expectant and just couldn't wait to be touched by the healing

Spirit of God.

The ushers tried to contain them but at one stage Andries prayed for a lame man and instantly he stood straight and walked perfectly. Of course this caused pandemonium. The people broke through the barriers and came rushing towards us. As the people at the back pushed to get closer we were pushed up against the stage. The pastors had to rescue us by lifting us onto the stage which was about 6 foot high.

Andries then spoke to them about having faith once you have been prayed for then he prayed for them from the stage. The rest of the crew were ushered to the vehicles while he was praying and after the prayer we were able to leave the grounds.

We also conducted a 3-day Pastor's Conference with approximately 500 pastors and their wives. We focussed on discipleship and the great commission. On the 3rd and final day Andries layed hands on all the attendees to receive the power of the Holy Spirit and we believe that they are now set on fire for Jesus!

Currently we are in Chennai where we are conducting a 2-day conference at one of the larger churches of Chennai. The church is 5 stories high and can take 1000 people on every floor (when finally finished as only 1 floor is complete on the inside at present). They are having 5 sermons each Sunday and the vision is that they will be serving 25000 people on a Sunday once all 5 floors are operational.

We believe that God has a plan with this conference and we trust Him for great miracles!

Thank you for praying and partnering with us.

Blessings to you
